

PROPOSAL FOR PE PREMIUM ALLOCATION SPENDING 2015-2016

In April 2013, the Government announced new funding of £150 million for physical education (PE) and sport. This is a ring-fenced lump sum for schools amounting to £9,250 a year for two years. The funding should be used to improve the quality and breadth of PE and sport provision.

As a school we are free to determine how best to use this funding to improve the quality and breadth of our PE and sport provision. 'Inspecting primary school PE and school sport: new funding' briefing document from Ofsted includes examples of effective use of PE and sport funding. With this in mind the following two examples are listed for discussion:

- Procuring quality-assured professional training for staff to raise their confidence and competence in teaching PE and sport
- Buying into existing local sports networks such as school sport partnerships or community sports coaching initiatives

Madeleine Campbell, Partnership Development Manager from Portsmouth School Sport Partnership has been working with the Subject Leader for PE, together with the Coach from 'Active Kids' to make improvements to the curriculum we offer. We have also liaised with Madeleine to organize swimming lesson for Year 3 children this year.

LANGSTONE JUNIOR SCHOOL SPORTING PRIORITIES:

- Improve PE resources and equipment in hall
- Increase levels of pupil participation in sports during and after school
- Provide high quality coaches to deliver physical education/sports from Years 3 – 6
- Provide high quality training for subject leader to implement change
- To ensure that our timetable provides the greatest level of access to PE and sports lessons
- To engage and motivate pupils to take part in a wide range of sporting activities
- To ensure the skills of the most able and talented pupils are further developed through external competitive opportunities

Impact from Spending in this Academic Year:

- Children have received lessons from specialist coaches in order to improve basic skills in a range of units across the new and adapted curriculum
- PE Leader received support and training - the impact was that the PE curriculum was adapted and significant changes made to ensure a broad and rich experience which is now embedded across the school
- Swimming Lessons were attended by Years 3 and year 6 with a significant increase in the number of children able to swim 25m or more with confidence. (See PE data)
- New resources have ensured that the new curriculum is accessible for all, particularly in light of school's increasing number of students
