

PROPOSAL FOR PE PREMIUM ALLOCATION SPENDING 2017-2018

In July 2017, the Government announced further funding for all schools to bring about measurable and sustained improvement for physical education (PE) and sport. This is a ring-fenced lump sum for schools amounting to approximately £19,790 this year in our school. The funding will be used to ensure all pupils leave primary school physically literate and with knowledge, skills and motivation to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

In order to achieve this, we will be:

- Procuring quality-assured professional training for staff to raise their confidence and competence in teaching PE and sport and allow for some release opportunities to develop staff being able to observe the teaching of PE.
- Employing coaches to provide after school sport opportunities to broaden the range of activities for all pupils.
- Subsidising transport and pool costs to provide swimming lessons for two year groups (Year 3 and Year 6), aimed at ensuring opportunities for non-swimmers are provided.
- Buying into existing local sports networks such as school sport partnerships or community sports coaching initiatives
- Providing equipment and an outdoor play and adventure area to promote active lifestyles during breaks.
- Ensure a well-trained team of 'Nurture Support' provide mental well-being to the most vulnerable.
