

Use of Pupil Premium 2011/12

Background

The Pupil premium is allocated to children from low-income families who are currently known to be eligible for Free School Meals (FSM), Service children and children who have been 'Looked After' continuously for more than 6 months. In 2012-13 this will also include pupils eligible for FSM at any point in the last 6 years (known as the Ever 6 FSM measure).

Schools are free to spend the Pupil Premium as they see fit. However, we will be held accountable for how we have used the additional funding to support pupils from low-income families. From September 2012, we are required to publish online information about how we have used the Premium. This will ensure that parents and others are made fully aware of the attainment of pupils covered by the premium and the extra support that they receive.

Our School

In 2011-12 Langstone Junior School received £30,210 for Pupil Premium. Other funding was added to this from the school budget to ensure that we could support as many pupils as possible; giving a range of experiences and opportunities as well as raising attainment and accelerating progress.

We were allocated funding based on 71 pupils.

Year 3- 19

Year 5- 15

Year 4- 19

Year 6- 18

Activities selected	What this does	Targeted Pupils	Cost	Comments on impact where appropriate (completed January 2013)
One to One tuition	This is where individual pupils come out of class once a week for an hour to have intensive tutoring in Maths or English over a term. The tutoring is carried out by qualified teachers; specifically employed as One to One tutors.	Pupils in years 4 and 6	£12,130.74	In the summer term 2012, 77% of the pupils who completed One to one tuition made progress that term; 23% made 2 sub levels progress. In the Autumn term 2012, 78.6% of the pupils who completed One to one tuition made progress that term.
Maths Puzzle Day	An opportunity for all children to be involved in collaborative problem solving workshops. Games and puzzles encouraged collaboration as well as teaching and using mathematical skills.	Whole School	£584	Supported work on raising the profile of maths in the school and pupils' enjoyment/perception of the subject. In a pupil interview carried out by the Maths Leader in December 2012, 54% of pupils questioned thought that maths was 'amazing', 27% thought it was 'good' and 18% thought it was 'Okay'.
Achievement for All	This is a 2 year programme aimed at transforming the lives of targeted pupils and their families by raising educational aspirations, access and achievement.	Target group in year 4 (2012/13)	£3000 (£1500 paid for by the Local Authority)	Still in first year of project.
Tablet computers	We have purchased a set of tablet computers (6 per class) for use with small groups and individual pupils; particularly for guided group work and intervention programmes.	Whole School	£3750	Less able pupils completing Precision teaching on tablet computers. Tablets in use in all classes for small group work.
Book Banded Books	We have restocked our selection of book banded books which our younger and lower ability readers have access to as home-school reading books.	Younger and lower ability readers across the whole school.	£257	Children across the school reading at 3b or below now have access to a range of books. Progress in reading was GOOD in last year's year 3, 4 and 5. (Current years 4,5 and 6)

Science INSET day	Teachers and Teaching Assistants attended a day's training on teaching and Learning in Science.	Whole School	£1020	On-going monitoring through work and planning scrutiny.
Literacy resources	A resource pack was purchased to support visual Literacy.	Whole school	£305	Resource in use
Teaching Assistant support for target group	A teaching Assistant was employed to support a teacher with a target group for Literacy and numeracy 4 mornings a week.	Year 6	£4884.94	Year 6 achieved good progress in writing and Maths; satisfactory progress in reading in 2012.
Teaching Assistant support for an individual pupils	A TA was employed to support a vulnerable individual (for whom the school did not receive funding) 5 mornings a week.	Year 3	£2995.16	Fixed term exclusions reduced for this pupil.
Stubbington Residential	The school subsidised the cost of the Stubbington residential visit; enabling more families to afford the trip.	Year 5	£1508	The cost of Stubbington rose from £140 per child to £190; the school paying for the travel meant that we were able to fill 40 of the available 50 places. Plan to subsidise further for 2013.
Minstead Residential	The school subsidised the cost of the Minstead residential visit; enabling more families to afford the trip.	Year 4	£1040	43 children attended in 2011 (66% of year group) compared to 64 (85% of year group) in 2012
Employment of a teacher to work with a target group in year 6	A teacher was employed for 2 mornings a week to support a target group of pupils in Literacy and Numeracy.	Year 6	£2478	Year 6 achieved good progress in writing and Maths; satisfactory progress in reading in 2012.
Employment of a supply teacher 4 afternoons a week.	Supply teacher employed to work with target groups and release other teachers to work with target groups.	Year 3,4,5	£8712	Progress GOOD in reading, writing and maths in these year groups.
Purchase PM benchmarking kit.	Resource purchased to enable accurate assessment of reading levels.	Whole School	£221	Being used in conjunction with FFT Wave 3 reading intervention.
			TOTAL £41,385.84
