

PROPOSAL FOR PE PREMIUM ALLOCATION SPENDING 2020-2021 and Impact statements

In July 2017, the Government announced further funding for all schools to bring about measurable and sustained improvement for physical education (PE) and sport. This is a ring-fenced lump sum for schools amounting to approximately £19800 this year in our school. The funding will be used to ensure all pupils leave primary school physically literate and with knowledge, skills and motivation to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

In order to achieve this, we will be:

- Procuring quality-assured professional training in REAL PE for staff to raise their confidence and competence in teaching PE and sport and allow for some release opportunities to develop staff being able to observe the teaching of PE.
- Employing coaches to provide after school and lunchtime sport opportunities to broaden the range of activities for all pupils.
- Subsidising transport and pool costs to provide swimming lessons (Year 3 pupils and those in Y6 who are not yet able to swim 25m), aimed at ensuring opportunities for non-swimmers are provided.
- Buying into existing local sports networks such as school sport partnerships or community sports coaching initiatives
- Providing Fit for purpose/ up to date equipment and an outdoor play and adventure area to promote active lifestyles during breaks.
- ‘Nurture Support’ provide mental well-being to the most vulnerable, and those who often miss out due to lack of PE kit.

PE PREMIUM 2020-2021			
	COST	ACTIVITY	IMPACT
PE.1	£5, 520	Trained coaches to deliver quality after school clubs x 4 a week	<p>Intended impact –</p> <p>Increased pupil participation in school to school, and national competitions. Enabling the school to buy into school sport partnerships. Increased participation to compete growing their interest in sport.</p> <hr/> <p>End of year impact:</p> <p>Using coaches was made difficult due to bubble restrictions during the Autumn term, as well as when schools were in lockdown. Wherever possible we have had interaction with Real PE and they delivered staff training remotely. 2 x football tournaments already entered Will need to look at further competitions to enter this year through programme sent to New lead.</p>
	£2,500	Transport, staff costs and participation fees for competitions	<p>Intended Impact –</p> <p>Providing places and opportunities for children in after school activities with use of the minibuses for transport.</p>

			<p>End of year impact – Swimming has been organised and both Y6 non-swimmers and all of Year 4 participated in swimming. Where fees have been paid and games postponed have been carried over to the next term. Country wide response to the COVID pandemic interrupted some plans and must remain a priority for when restrictions ease and all sport re-commence.</p>
PE.2	£4800	Silver SLA Portsmouth School Sports Partnership	<p>Intended Impact – Improved quality of teaching and children’s experiences following training for staff based on an audit of practical skills. Increased practical levels of confidence for teaching staff. Raised profile of PE across the school. New activities to engage and motivate all pupils.</p> <p>End of year impact – Most staff have been able to grow their confidence and have implemented new approaches. This will need to continue to be a development programme, especially for continued development. This approach have ensured that the profile of PE was raised. New SSP lead in role – details of plans, and where to sign up to SSP SLA last academic year as this could support CPD and PPA/ After school club cover. It is worth looking into again – to further support and develop.</p>
	£2,298 (ref: Real Legacy)	Scheme and training to support subject knowledge of staff	<p>Intended Impact – Improved knowledge of staff on what to deliver and differentiation in PE. Training on concept lead PE delivery using REAL PE Training on assessment and assessment tools delivered.</p> <p>End of year impact – Staff confidence supported, engagement with materials supported this further and this meant planned sessions successful. This will continue during the next academic year as 2 NQTs have been employed and will need further development. Real Gymnastics training planned in and Dance training provisionally planned and paid for through Real Legacy. Real Dance will need to be confirmed. Gym and Dance were identified as areas of subject knowledge weakness and lack in confidence from staff questionnaires and as such will remain of the spend plan.</p>

	£1000 – HLTA cost	Release time for PE co-ordinator.	<p>Intended Impact – Coherent PE plans will mean teachers can teach better quality lessons and the children will build on their PE skills week on week and year and year, as well as offering support for teachers with low confidence. Attendance at range of sporting activities.</p> <p>End of year Impact – Planning is purposeful and sequences in learning has been developed. Participation in games beyond the school continue to be a high priority due to COVID legacy. This area will be targeted again in 2021 – 2022. New sport co-ordinator in post and this should offer continued support into the next academic year.</p>
PE.3	£2,000 (ref: LJS 4040)	Resources to improve: Playtrail PE equipment Lunchtime Equipment	<p>End of year Impact – All children are encouraged to engage in moderate physical activity. Provision of opportunities for adventurous activities. Opportunities to engage least active pupils in sport. Increased level of difficulty for pupils in gym session. Broad range of activity to engage and enthuse all pupils. Most children have a renewed engagement with PE and understand the value of an active lifestyle.</p>
PE.4	£2,000 (ref: LJS 4040)	Swimming lessons for designated year groups and non-swimmers. 10 week session	<p>Intended impact – Increased pupils’ confidence levels in the water. Basic swimming awards scheme delivered.</p> <p>End of year impact – Swimming was offered to year 6 non swimmers and all of year 4. This means that the large majority of children understand the need for being able to swim and can float.</p>
	<p>Total Government Sports Funding = £19,800 Additional funding from school = £318</p> <p>Total spend = £20,118</p>
